RUSSELL SCHOOLHOUSE & WATER POLICY
August 10, 2023

Visitors: Helen Roetzel

This special city council meeting was called to discuss the recent vandalism at the Old Russell Schoolhouse and make the new proposed water policy available for review.

Mayor Klotz: The police report is available. The Mayor spoke with the grandfather of one of the boys. He asked for this to be settled with civil restitution. The White County Sherrif's Office detective said that the city has a year to file formal charges on the boys.

Several estimates will be acquired for replacing the 5 windows that have been boarded up plus replacing some broken panes inside the building. Many toy donations had to be thrown out because of broken glass getting into the toys. Replacement cost for those toys will need to be calculated.

The proposed new water policy was handed out to council members for review before the next monthly City Council Meeting.

There was no further business and the meeting was adjourned, motion by Webber, seconded by Kading, approved with a 4-0 vote.
